### DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

Company law requires directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, directors are required to:

- a. select suitable accounting policies and then apply them consistently;
- b. make judgements and estimates that are reasonable and prudent;
- c. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the requirements of the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS' REPORT TO THE MEMBERS OF  
THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS (LDS SOCIAL SERVICES)

We have audited the financial statements on pages 6 to 13.

**Respective responsibilities of directors and auditors**

As described on page 4 the company's directors, for the purposes of company law, are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

**Basis of opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**Opinion**

In our opinion the financial statements give a true and fair view of the state of the charitable company's affairs at 31 December 1998 and of its incoming resources and application of resources, including its income and expenditure for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

### 12 PENSION AND OTHER POST EMPLOYMENT COMMITMENTS

The group operates a defined benefit pension scheme whose assets are held in independent trustee administered funds. Contributions are determined by a qualified actuary on the basis of triennial valuations using the projected unit method, the most recent valuation being at 31 December 1995. The assumptions which have the most significant effect on the results of the valuation are the rate at which current salaries and pensions will increase and the return the scheme will earn on its assets.

It was assumed for the 1995 valuation that salaries would increase by 7.5% and the investment returns would be 4% per annum, and that present and future pensions would increase at the rate of 3% per annum. The actuarial valuation of the scheme's assets at 31 December 1995 was £7,834,070 and was estimated to fully cover the scheme's liabilities at that date.

The contributions of the group and its employees will remain at 13.7% and 5% respectively.

The pension charge for the year was £16,125 (1997 £14,678).
